**January 2016 - - FUN show report and
Newps**

January 15, 2016

Lots of FUN at the FUN show!

This year the FUN show was in Tampa rather than the usual Orlando. We were expecting less of a crowd and less activity as a result, but, we were wrong in that assumption! It appeared to us, and several other dealers with whom we spoke, that attendance was up, and people were buying coins. So maybe the slowdown is over! My table assistant Dick Graham and I were constantly busy at this show. I personally want to thank several of our loyal customers who stopped by, saw how busy we were, and returned to the table when we were less busy!

We sold a lot of coins, and as usual acquired some great newps! Our Newps were spread throughout most of the Bust and Seated series we carry. Our special newps include three very special coins pictured below, an 1803 JR-5 dime, a variety with only 4 known specimens, an 1863 Seated dollar in PCGS MS-63, and an 1873-CC Seated dollar in PCGS VF-30. We also acquired a decent 1824/2 JR-2 dime, 1806 B-3 and 1821 B-2 quarters, a low-grade 1853 No Arrows quarter and a wonderfully toned 1883 quarter, a rare 1805/4 O-103 half, 1851 and 1851-O halves, an 1861-O Union half, a wonderful 1888 half, an 1861 Seated dollar in AU, 1863 Seated dollars in MS-63 and AU, an 1872 dollar in AU, and a few nicely toned Indian cents.

A slight change to the website

We previously had a category called "Other 10c thru \$1", whose meaning was clear to most of you, but not to many new visitors to our website. Therefore, we split that category into 4 new categories: Other Dimes, Other Quarters, Other Halves, and Other Dollars. We believe that visitors to our website will be more able to find, say, Washington Quarter varieties, in the "Other Quarters" category rather than the previous "Other 10c thru \$1" category.

Upcoming Events

Our next show is a local show in our new home town of Sebring, FL on February 13 at the Elks Lodge, 2618 Kenilworth Blvd. Our next big show is the ANA's National Money Show in Dallas, TX March 3 - 5, followed by the Baltimore show March 31 - April 2.
